To whom it may concern,

On July 18, 2023, the Microsoft Partner Network was renamed to the Microsoft AI Cloud Partner Program. In the Microsoft Partner Network, a partner's technical capabilities in Microsoft products or technologies were demonstrated by attaining silver and gold competencies.

For the purposes of in-progress Request For Proposal (RFP), this letter confirms that the partner named below did hold the legacy Microsoft Partner Networks competencies listed below and is still able to receive the benefits associated with them.
